The buyer agrees to indemnify and hold the owner and Sale Management harmless from all loss, cost, and expense arising from the illness, injury, or death of a horse or loss or damage to property, and injury or death of persons caused by the buyer, the buyer's agents or employees, or by the horse after the horse has been purchased.

DONATION PUPPY

Donated by: GONE ROGUE STOCK DOGS AND
PERFORMANCE HORSES, ROGUE RIVER, OR

Gone Rogue Stock Dogs is thrilled to be donating GRSD Fir a black and white ABCA registered male pup. Fir was whelped on October 23, 2023 and is already showing the talent and biddability of both his parents. He is already going to sheep showing his desire to work. His dam is GRSD Juniper, a stylish, hard working, family loving, beautiful female. She will work what ever stock you put in front of her and is always happy to get the job done. Part of what makes Fir so special is his sire ASD Slider is out of Brian Abingdon's lines who will be greatly missed in the stock dog world. Slider is a beautiful red male with a stocky stature and good bone. He loves working anything from geese, to sheep, goats and cattle. What makes both Fir's parents exceptional is their ability to come in the house, relax and be a part of the family. Don't miss out on a fantastic prospect!

"Jeep" has been my go to gelding. I purchased him as a 2 year old from the Shelman Family in Burns, OR. We have covered tons of country together, from mountains to the flat wheat fields, steep rocky county, walked out into ponds and crosses creeks. Smooth to ride and great to lope circles in the arena. He's cowy and good to sort on in the corral and pairing out cattle in the pasture. He is not a huge fan of his breast collar but we always ride him with one. Tracks cattle well both inside and outside the arena, roped and doctored cattle outside and branded on. Gentle, easy to saddle and shoe. If not being rode regularly he is not for a beginner rider. The only reason for selling is because I am planning on attending school in Texas next year. 541-377-1163.

"Cadillac" is an 8 year old black gelding. This is a gentle horse that has been hauled everywhere around the Northwest. Has traveled to several NPRA rodeos and used as a pickup horse, you can also head and heel on him. Has excelled on the ranch to doctor, sort, brand and anything else you ask of him. He has been used a lot recently on the corn stalks to calve out. Cadillac has been in the mountains and traveled a lot of miles to gather cows. Lopes around in both leads, does great in the arena. Stands 15.1 hands. Cadillac is a nice all-around horse. He is a stout, well built horse. Bathes, shoes and hauls well. Current on all vaccines and wormer. PENDLETON CATTLE BARONS SCHOLARSHIPS

Pendleton Cattle Barons Weekend was established as a non-profit in 2008 to showcase western heritage, with the purpose of providing scholarships for the next generation to keep the tradition alive.

The Pendleton Cattle Barons Scholarship Program was designed to benefit students pursuing agricultural careers. Our past scholarship recipients have achieved degrees that led to careers such as agricultural business owners, large animal veterinarians and even agricultural lawyers among others.

100% of the net proceeds of the Pendleton Cattle Barons Weekend create scholarships for regional students attending college and majoring in agriculture. Within the last few years, Pendleton Cattle Barons weekend event was able to raise in excess of \$25,000.00 for our scholarship program! The Pendleton Cattle Barons weekend also infuses more than 1.2 million into our local economy with over 3000 in attendance each year. By attending the event you are helping to support these students and the future of the agriculture industry.

Preserving our ranching heritage one scholarship at a time

It's about scholarships!
