**Prospective Buyers:** All purchases through this sale are bound to the terms and conditions set forth herein, whether buyer has read them or not. Please take the time to read and become familiar with them, and be aware that all transactions in this sale are governed by these terms and conditions. The seller is the responsible party for all representations or warranties, expressed or implied, concerning the condition of any horse. If any specific guarantee is made by the owner, the right of recourse must be directly to the owner and not through the sales management.

2. Buyers have the right and are encouraged to have a veterinarian of their choice examine any horse offered in the auction. Purchasers of horses in this sale acknowledge that they have had the opportunity to thoroughly examine by veterinarian or otherwise each horse that they have purchased and hereby accept any horse they purchase with all defects and conditions "as-is" except those that are specifically warranted in these conditions by announcements from the auction stand. Veterinarian assistance will be at the buyer's expense. You are strongly encouraged to examine the horse prior to purchasing. Because of this condition, there can be no refusal to pay for a horse following the sale as a result of any condition that may be discovered after it is purchased.

3. Every effort has been made to assure correctness of this catalog. The Sale Management and auctioneers are not responsible for error or omissions and assume no liability on their part as to any statements, verbal or written, regarding horses sold.

5. The highest bidder is the buyer. If a dispute should arise between bidders, the disputed horse will immediately be put up for bid again. In

any dispute, the auctioneer has sole authority and his decision is final. The right to bid is reserved by the seller unless otherwise announced.

6. Title to and the risk of loss passes to the buyer when the animal is announced "sold" by the auctioneer. All buyers will fill out and sign an acknowledgment of purchase brought to them by the ticket runner. Effective immediately from the time of purchase the buyer assumes complete responsibility for the maintenance and care, feeding and watering of the animal. However, horses may not leave the grounds until final settlement has been made on all purchases.

7. Terms of sale are Cash, Visa, MasterCard or Discover. Payment in full must be made to the cashier immediately after the sale. All horses must be paid for through the sale office immediately following sale on the 6th. Method of payment shall be cash, cashier's check, traveler's checks, or personal check with two forms of identification; Visa, or MasterCard. All credit card purchases will be subject to a 3% handling fee. Transfer of ownership on any animal will not be complete until full payment is made to Duarte Sales Inc.. 8. Risk of loss passes from the owner to the buyer immediately after the horse is struck down by the auctioneer. This shall especially be the condition in the case of illness, injury, or death of any horse after it has been sold. The buyer agrees to indemnify and hold the owner and Sale Management harmless from all loss, cost, and expense arising from the illness, injury, or death of a horse or loss or damage to property, and injury or death of persons caused by the buyer, the buyer's agents or employees, or by the horse after the horse has been purchased.

9. Buyers are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. Bailey used him all winter doctoring calves out on the pastures and doing all kinds of ranch work, he is her go to guy! Started heading and taking to it well, branded piles of calves, fun to work cattle on, lopes pretty circles, quiet on the trail and away from other horses. Good with time off. Gentle gelding we think someone would love to own and be their favorite also. Stands 15.1 hands. Welcome to come try him before the sale. ## Larry Patterson

**Larry Patterson and his family** - wife Jayne Ann and sons Trevor and Tyson have been engaged in the livestock business all their lives. Larry and Jayne Ann have four grandsons - Owen, Devin, Pryor & Bray - and are hoping to continue the legacy.

Larry has been a stock contractor providing cattle for the Cattle Barons Ranch Rodeo for many years with help from their son Trevor. Larry provided the calves but also transported them for us. He was the rodeo coach for the BMCC rodeo team for 40 years, leading a very successful program and developing many talented contestants. When Larry retired, the Legacy continued with son Trevor taking over as BMCC rodeo coach and continuing to provide cattle for Cattle Barons' events. Larry still provides practice cattle for the team that keeps him involved.

Larry owned and operated a cattle backgrounding/grow lot business near Echo for many years. The support of his wife and family allowed him to be successful in these endeavors and give back to the community. The board is honored to present the 2024 Pendleton Cattle Barons Legacy Award to Larry Patterson and his family. Thank you, Larry, Jayne Ann, and the rest of the family!
